### Description

An immaculately presented CZ 452 with Leupold scope that could be mistaken for New.

To be sold as a complete kit, this rifle has been very well looked after and shows no signs of use.

The Walnut stock is richly grained and coloured and is in excellent condition. (There are some unfortunate marks either side of the fore end - see photos).

The chequering on the grip areas is sharp and shows no signs of wear. There are sling mounts fore and aft and a quality sling with quick release swivels included.

The bolt and barrel are like new, both inside and out. The barrel is unsighted.

Two magazines are included as is a neat good quality moderator.

There is a Leupold 4-12 VXII included which make this package complete.

Can be seen anytime by appointment in Alton, Hampshire or transferred to your local RFD from £30.
